Christmas Break

Digital entries for competitions should be emailed to the Competition Secretary at sccccompetition@yahoo.com or put on a usb stick (which will be returned later) and sent to 129 Coldyhill Lane, Scarborough YO12 6SD.

As usual, the Images should be in JPEG format and resized to a maximum of 1600 pixels x 1200 pixels. Each image should be named to include the title and your initials.

The programme for 2021 will commence on 13th January, for which a new subscription will be required. Dependent on the Covid-19 situation, meetings may resume in person or else continue on-line. There will be a mix of competitions, speakers and practical events.

Whatever the case, the subjects for competitions in the January - March period will be: -

Open – Black and White

Basically, this means that it must have pure black and pure white but may have some greys.

Leading Lines

Altered Images – for the Kat Underwood Trophy.

This subject follows on from the speakers' session on 13th January, entitled “The Art of Composite Photography” and the aim is to encourage creativity by members.
